

U.S. Serial No. 10/587,207
 Amendment Under 37 CFR 1.312
 Family Number: P2004J003

Remarks

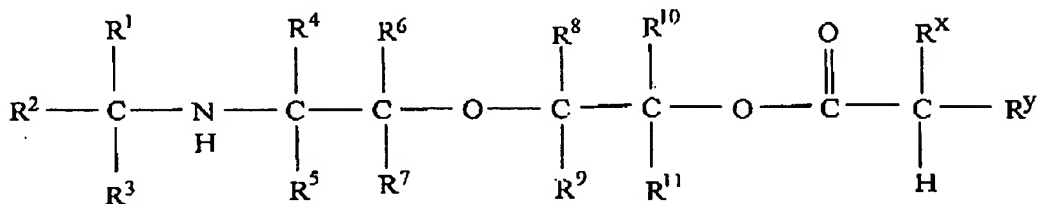

The present amendment corrects an error readily apparent on its face in claim 1.

In the penultimate formula in claim 1 a "— O—" was missing.

The formula which read:

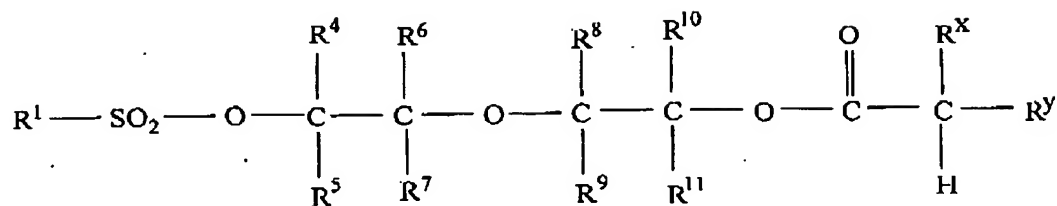

should properly read:

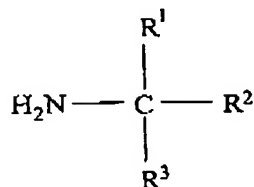

That this is the correction of a readily apparent error and not an attempt to introduce new or different subject matter into the claims is seen by reference to the present specification at page 10, formula 8c and from a review of claim 1 itself wherein it is obvious that "— O—" was omitted from the subject formula when it is considered that the formula under discussion is the product resulting from the reaction of:

with the amine:

recited in the section of claim 1 immediately above the subject formula.

It is requested that the corrections be made in claim 1.
